PREFACE

The following pages describe a collection of miscellaneous coins placed in my hands to be sold, by order of executors, and among the numerous offerings I trust nearly every one receiving this catalogue will be able to find something of interest and forward some bids. I endeavored to carefully describe the material.

CONDITIONS OF SALE.

This sale is for cash, goods delivered immediately after sale. The highest bidder to be the buyer.

If a dispute arises between two or more bidders, said lot is to be put up and resold. The disputant, on the bidding being opened, is required to advance above figure it was knocked down for.

No lot is divided.

Sold so much each piece, except the proof sets and where lot is stated.

Examine your bid sheet before sending it in—see you are on the right number. Errors made by the bidder will not be borne by the sellers.

The auctioneer and cataloguer reserve the right to reject and not accept the bid of a person who has in the past failed to pay for goods he bought, unless he makes a satisfactory, to them, cash deposit prior to the sale.

Every item is guaranteed genuine, and this holds good indefinitely.

Catalogues will be hand-priced in ink after the sale for 50 cents—cash with order, please.

I will execute bids for the regular and usual 10 per cent. of the amount purchased, buying as much below the amount sent as possible. The auctioneer will execute bids free of commission, but assumes no responsibility, and requires payment before goods are delivered.

Coins will be on exhibition from 9 A. M. to 1 P. M., at 1304 Walnut Street, on the day of sale.
